

# Salvation Questions

Your child's salvation is the most important moment of their life! As Christian parents we want our kids to know and love God intimately! We hope and long for the day our children will be saved by the blood of Jesus! However, as much as we can teach and guide our kids, ultimately their salvation is not up to us, it's up to them. It's a decision our kids have to make on their own! As your children begin learning about the gospel of Jesus, they may tell you they are ready to accept Jesus as their Lord and Savior. To make sure your child has a good understanding of the gospel, you might want to ask them some questions.
